## **BACKGROUND**

Simple components such as paper, film, foil, and ink, coupled with the right vision and the technology can create a package that distinguishes and gives added value to the product inside.

As Bangladesh's Medium and leading packaging company, RN Packaging & Garments Accessories is continuously innovating and coming up with fresh ideas to make packaging better, every day. We believe in improving Packaging.

## **ABOUT US**

R N Packaging & Garments Accessories started its journey in 2010 as the pioneer company in Bangladesh in the field of Master Carton. Back in that time, Bangladesh was just moving towards industrialization and R N Packaging & Garments Accessories was the first company to recognize the emerging needs of local packaging in consumer goods in the booming country. Since then, we have come a long way and a few other companies have joined us in our line of business. Today we can say with pride R N Packaging & Garments Accessories. Is recognized as the biggest name in the field of the packaging industry with Master Carton of quality products.
